Before you dive into the grid, scan every clue once. Mark obvious answers—often the short, straightforward ones—directly in the grid. This “grab the easy” sweep typically fills 20–30% of the puzzle and creates anchor points that guide later decisions. As you locate a few confirmed letters, start penciling in potential fits for longer, thematic entries; the visual cue of overlapping letters often triggers the solution. When a clue references a well-known location, visualizing a related image—like the Manhattan silhouette above—helps you retrieve the answer faster than pure verbal recall. US crosswords rely heavily on wordplay: anagrams, hidden words, and double definitions appear frequently. A quick trick is to isolate the clue’s “definition” portion, usually at the start or end, then treat the remaining words as the wordplay indicator.
